No. 11788—J. 1458, dated 18th April 1899.

In exercise of the powers conferred by Section 54 of the Prisoners' Act, 1870, and Section 401 of the Code of Criminal Procedure, the Government of Mysore are pleased to prescribe, with effect from the 1st of July 1899, the following Revised Rules regarding the earning of remission and gratuities, applicable to all classes of prisoners in Mysore. But nothing herein contained shall affect the provisions of the Rules promulgated with Notification No. 1937—J. 73-92, dated the 30th July 1892, which shall apply to prisoners who, on completion of ten years' confinment in jail, may be specially admitted to the benefit of these Rules.

I. MARK RULES.

1. For the purposes of these rules, convicted prisoners shall be divided into three classes, *viz* :—

I.—Thugs, robbers by administration of poisonous drugs and professional hereditary or specially dangerous criminals convicted of heinous organized crime, such as dacoity ;

II.—Dacoits and other persons convicted of heinous organized crime who are not professional, hereditary or specially dangerous criminals ;

III.—All other prisoners.

2. Every convicted prisoner whose sentence or aggregate of sentences, exclusive of any period awarded in default of payment of fine, amounts to one year or upwards, shall be eligible for marks under these rules, provided that if such prisoner is under sentence of simple imprisonment, he shall not receive marks unless he voluntarily labours throughout the term of such imprisonment.

3. For the purposes of these rules a life-sentence shall mean—

25 years' imprisonment in the case of prisoners included in classes I and II ;

20 years' imprisonment in the case of all other prisoners.

4. The remission earned under these rules shall have the following effects, *viz* :—

(*a*) In the case of prisoners included in classes I and II, whether under sentence for life or term, the period of remission earned shall be deducted from the sentence, and they shall be released from jail on the conditions specified in the Ticket-of-Leave Rules contained in Part II.

(*b*) In the case of all other prisoners, remission earned shall reduce the sentence absolutely.

5. Every prisoner, who is entitled to earn remission under the foregoing rules, shall be brought under the Mark system on the first day of the calendar month next following that in the course of which he became a prisoner ; provided that, if a prisoner, admitted under a sentence of less than one year, is subsequently sentenced to a further term which makes up the aggregate to one year, he shall, if otherwise eligible, and unless such subsequent sentence is inflicted on account of riot, escape, or repeated jail offences, commence to earn marks on the first day of the calendar month next following that in which the second sentence was passed.

6. Ordinary marks shall be awarded on the following scale, *viz* :—

(*a*) One mark daily for thoroughly good conduct and scrupulous attention to all jail regulations.

(*b*) One mark daily for industry and the due performance of the daily task imposed upon him.

(*c*) One mark daily for any day on which special diligence in work is shown.

7. In addition to any marks earned under the previous rule, convict warders shall receive four marks, convict overseers two marks and convict night watchmen one mark. But convict warders and overseers shall not be eligible for any additional mark under clause (*c*) of Rule 6. It will thus be possible for a night watchman showing special diligence in work, to obtain four marks a day, which is likewise the maximum number obtainable by a convict overseer.

8. On Sundays and holidays, when ordinary jail industries are stopped, marks for conduct only may be earned, but prisoners employed on jail services may be awarded also marks for labour. Convict officers shall be awarded marks as on other days.

9. A prisoner in hospital shall receive marks for conduct only, provided that he did not, by any improper action of his own, after admission to jail, induce or aggravate the disease, on account of which he was admitted into hospital.

10. A convict sent to a Court under Regulation V of 1894 shall be credited during his absence with marks in the same way as a convict in hospital, provided that his presence before the Court has not been required in consequence of any offence committed by him and for which he is to be tried.

11. Special marks may be given for special service, such as—
(1) Assisting in detecting or preventing breaches of jail discipline or regulations.
(2) Success in teaching handicrafts.
(3) Special excellence of work.
(4) Protecting jail officers from attack.
(5) Assisting jail officers in case of outbreak, fire, etc.
(6) Economy in the wearing of clothing.

12. The Superintendent of a District Jail may award to the same prisoner not more than one hundred special marks for any one service or in any one quarter. The Superintendent of a Central Jail may in like manner award not more than five hundred special marks. When any number of special marks is awarded under this rule, a report thereof shall be made to the Inspector-General, setting forth the grounds of the award. All proposals for the award of more than the number of marks above indicated must be referred to the Inspector-General, who will submit for the orders of Government any case in which he proposes to award more than one thousand marks.

13. Marks and remission may be forfeited for misconduct, and prisoners may be temporarily or permanently removed from the Mark system in accordance with the law for the time being in force regulating jail offences and punishments; provided that no prisoner shall receive marks for the day on which any offence is committed and that the Superintendent may restore to the benefits of the Mark system any prisoner removed therefrom.

14. The award of ordinary marks shall be made either by the Superintendent himself or, subject to his control and supervision, by the Deputy Superintendent, Jailor, Deputy Jailor or any other officer specially empowered in that behalf by the Inspector-General. The award of special marks shall be made only by the Superintendent or Inspector-General.

15. The officer awarding marks shall, before making the award, consult the prisoner's work-sheet and history-ticket, in which every offence proved against the prisoner must be carefully recorded. In the absence of any entry against the prisoner on any day, it shall be presumed that he has earned "ordinary" marks for that day. Ordinary marks shall be recorded in the presence of the prisoner weekly, fortnightly or monthly, as circumstances admit, and special marks shall be awarded as soon as possible after they have been earned. All marks shall be noted in the Mark Register, which shall be written up from the entries in the prisoner's history-ticket.

16. Every convict, coming under the operation of the Mark system, shall be entitled to a [illegible] of one day of his sentence for every 24 marks earned by him. Marks shall be converted [illegible]ion and the actual remission earned shall be recorded, quarterly in the Mark Register. [illegible]ount of remission earned quarterly by each convict shall be intimated to him by the [illegible]intendent at the first weekly inspection after the close of each quarter.

17. Remission being thus earned in days, shall be recorded in days in the Mark Register and shall not be converted into months or years.

18. In converting marks into quarterly remission, any balance of mark which remains after dividing by 24 shall be carried forward to the next quarter. In converting marks into remission at the end of a prisoner's sentence, if there is a balance of 12 and upwards remaining after dividing by 24, it shall be considered equivalent to one day's remission; any smaller balance shall be disregarded.

19. In the first week of each month, a list shall be made out of those prisoners, who, on the supposition that they will earn their full ordinary marks during the intervening period, will be entitled to release in the course of the month next ensuing. This list shall be submitted to the Superintendent, signed by him, and filed in the office. If the prisoner fails to earn the number of marks assumed in the list, or if from bad conduct he forfeits any of the marks already earned, the date of his release will be proportionately deferred; while if, on the other hand, he earns an additional number of marks, the date of his release will be proportionately advanced. As soon as he has earned such number of marks as entitles him to release, he shall, if otherwise eligible, be released by the Superintendent without further sanction or reference. The amount of remission finally earned shall be endorsed on the prisoner's warrant and the endorsement signed by the Superintendent.

20. When a prisoner is transferred from one jail to another, a record shall be sent with him showing the amount of remission and the number of marks which stand to his credit. Prisoners transferred from one jail to another shall be awarded marks for conduct during the period spent in transit, but not for industry, by the receiving jail.

II.—TICKET-OF-LEAVE RULES.

1. The Superintendent will give to every prisoner, on his release under Rule 4 of the Mark Rules in Part I, a ticket in English and Vernacular, on which shall be entered his descriptive roll, and the conditions on which his sentence is remitted.

2. The descriptive roll and ticket are to be in the form annexed. The ticket is to be signed by the prisoner in the presence of two witnesses, and countersigned by the Superintendent of the Jail.

3. A prisoner released on ticket-of-leave will be aided by the Police in finding employment, so long as he shall conduct himself properly.

4. On his release, the Superintendent of the Jail will give him sufficient money from that at his credit in the prisoners' property register, to carry him to his home, or place of residence. The balance of the money at his credit will be transmitted to the District Superintendent of Police, when that officer shall apply it either to support the released prisoner or to set him up in his trade.

5. If, at the time of release, the amount of money to the prisoner's credit is too small to enable him to reach his home, and to provide himself with the implements of his trade, the Superintendent of Jail shall be at liberty to give him the implements he has been using whilst in prison.

6. At the time of release, the conditions of his ticket are to be carefully explained to him and accepted by him in writing.

7. He is, in the first instance to report himself to the District Superintendent of Police of his District or, in his absence, to the nearest Magistrate.

8. If the prisoner fails to fulfil any of the conditions set forth in the ticket-of-leave, the Government may cancel the remission of his punishment, whereupon he may be arrested by any Police officer without warrant and remanded to undergo his original sentence.

9. In every instance in which a prisoner is released on ticket-of-leave, a copy of these rules, as well as a copy of the prisoner's ticket, shall be forwarded by the Superintendent of the Jail from which the prisoner is released to the District Magistrate and to the District Superintendent of Police of the District in which the prisoner is to reside.

18. In District Jails where no convict is available for promotion under the Mark system, a certain number of well-conducted prisoners who have served two-thirds of their sentence may be employed for the convenience of prison discipline as acting maistries, but these officers will not be eligible for remission under the Remission Rules.
